IUI Postdoctoral Fellowships 2018-19

The Interuniversity Institute for Marine Sciences in Eilat, Israel (IUI) invites applications for a two-year Postdoctoral Fellowship starting 1 October 2018.

The Fellowship is open to candidates in all marine disciplines, with a preference for candidates who intend to focus on field studies.

Applicants are required to have a host who is an IUI-affiliated resident or non-resident researcher. A list of researchers can be found at the IUI web page:

Resident researchers: <http://iui-eilat.ac.il/People/AcademicStaff.aspx>

Non-resident researchers: <http://iui-eilat.ac.il/People/Affiliates.aspx>

Applications should include the applicant's CV, a list of publications, a brief (one page) description of the intended research, and a letter of commitment by the host to cover 50% of the fellowship.

Two letters of recommendation, one of which from the applicant's PhD supervisor should be sent directly to the IUI (see below).

The recipient of the fellowship will receive from the IUI a total sum of NIS 54,000 per annum, which is approximately 50% of the total fellowship. The other 50% of the fellowship, or more, will be provided by the host. The recipient of the fellowship will have to reside in Eilat and work at the IUI for at least 75% of his/her time. The appointment for a second year is subject to review of the progress made during the first year.

Applications should be submitted by email to Ms. Karen Madmoni (karenm@mail.huji.ac.il). Please indicate "postdoc application" in the subject line. Applications must be received by 15th February, 2018.

Information on the IUI is available at: <http://www.iui-eilat.ac.il/Default.aspx>.
